

IDIONE MENEGHEL

August 29, 2019

Research School of Economics
Australian National University
Acton ACT 2601 Australia

office: 2007 HW Arndt Building (25A)
phone: +61 2 612 52216
email: idione.meneghel@anu.edu.au

Research interests

Microeconomic theory, game theory, decision theory, mathematical economics

Current academic position

Associate Professor, Research School of Economics, Australian National University (2018–)

Past academic positions

Senior Lecturer, Research School of Economics, Australian National University (2014–2017)

Lecturer, Department of Economics, The University of Queensland (2011–2013)

Visiting positions

Visitor, Department of Economics and Cowles Foundation, Yale University (2018–2020)

Academic background

PhD in Economics, University of Rochester (2013)

BA in Economics, Universidade de São Paulo (2000)

Publications

- [1] Simon Grant, Jeffrey Kline, Idione Meneghel, John Quiggin, and Rabee Tourky. A theory of robust experiments for choice under uncertainty. *Journal of Economic Theory*, 165:124–151, 2016.

- [2] Simon Grant, Idione Meneghel, and Rabee Tourky. Savage games. *Theoretical Economics*, 11(2):641–682, 2016.
- [3] Paulo Barelli and Idione Meneghel. A note on the equilibrium existence problem in discontinuous games. *Econometrica*, 81(2):813–824, 2013.

Working papers

- [1] Idione Meneghel and Rabee Tourky. *On the existence of equilibrium in Bayesian games without complementarities*, 2019.
- [2] Simon Grant, Idione Meneghel, and Rabee Tourky, *Learning under unawareness*, 2019.
- [3] Idione Meneghel and Rabee Tourky. *A fixed point theorem for closed-graphed decomposable-valued correspondences*, 2015.

Teaching

Behavioral Economics (2018)

Microeconomic Theory (2017)

Economics III (Honors) (2017)

Foundations of Economic and Financial Models (2014–2016)

Microeconomics A (2012–2013)

Advanced Managerial Economics (2012–2013)

Grants, honors, and awards

Senior Fellowship, Higher Education Academy (2017)

Australian National University RSSH Cross-College Grant (2017): Philosophy & Economics

The School of Economics Distinguished Teaching Awards for Small Postgraduate class, The University of Queensland (2012)

UQ New Staff Research Start-Up Fund award, The University of Queensland (2012)

Conibear Memorial Prize (best third-year paper), University of Rochester (2008)

Graduate fellowship, University of Rochester (2006–2011)

Invited seminars

2019: University of Texas at Austin

2018: Yale University, Stanford GSB

2016: University of Sydney

2013: Yale University, Boston College, Johns Hopkins University, Australian National University

2011: The University of Queensland, University of New South Wales, University of Southern California

2010: University of Rochester

Conference presentations

2019: 2019 North American Summer Meeting of the Econometric Society, Stony Brook 30th International Conference on Game Theory

2016: Foundations of Utility and Risk

2015: Conference of the Society for the Advancement of Economic Theory

2010: The 2nd Annual UECE Lisbon Meetings

Professional activities

Associate editor, *Journal of Mathematical Economics* (2017–)

Referee for *Econometrica*, *Economic Theory*, *Journal of Mathematical Economics*, *Theoretical Economics*, *Games and Economic Behavior*, *Optimization Letters*, *The Economic Record*, *US National Science Foundation*

Local organizing committee member for the Conference of the Society for the Advancement of Economic Theory (2012)
